Maryland fare with its southern tradition

bis-tro - bēstrō; bee-stroh, Noun

1. a small or unpretentious restaurant
2. a small bar or tavern

Why the name, Old Line? We are proud of our Maryland heritage! Maryland is called the "old line" state as a reference to the Maryland soldiers who fought courageously in the Revolutionary War, the Maryland Line. It is said that General George Washington referred to these soldiers as "The Old Line." Maryland was the only state that had regular troops "of the line" and these soldiers were ranked among the finest and best disciplined in the army.
